# **MUKUSHI**

## **BUSINESS VENTURES**

# About The Company

**Mukushi Business Ventures** is a supplier of a wide range of Laboratory chemicals, accessories, equipment and medical equipment. We have a well-equipped distribution centre in Lusaka, Zambia from which we prepare customer orders for dispatch.

The company has developed a good network of suppliers and distribution network throughout Zambia to meet the needs and requirements of our customers.

## Vision

Our aim is to become the largest provider & source of laboratory chemicals and equipment in Zambia with quality products and services which enhances thereby forming a lasting relationship between company and client.

## Mission

We aim to be a reliable, efficient and affordable source of laboratory consumables to the entire scientific community without compromising on quality, providing product knowledge and customer services.

## Our Target Market

- Industrial Sector
- Mining Sector
- Primary and Tertiary education
- Health and Safety Sector
- Research institutions

## Quality Management & Control

Our products are carefully selected from suppliers who are nationally or internationally accredited (SABS, ISO, DIN, etc.) and have a proven track record amongst their current customers. Each item is further inspected when it reaches our floors.

## Our Commitments

### Prices:

Reasonable and cost effective prices on all our stock items.

### Quick Delivery:

We pride ourselves in a quick and efficient delivery time in and around Zambia. We rely on the fastest, cost effective freight companies so that your goods can arrive on time and in excellent condition.

### Our Sales Team:

Our friendly and committed sales team are always there to provide you with the quickest response and feedback with regards to stock availability and turnaround time. Guaranteed excellent services all the time.

# Governance and Management Team

We have in place a corporate governance structure that meets international standards and practice. Our team comprises of industry experienced leaders that are involved in the day-to-day running of the business to make sure that the services are client focused and adequately personalized. Our people are our biggest treasure and with all our consolidated effort we are able to achieve our promise on delivery.

Further, we hire and train outstanding people to ensure maximum performance and resulting productivity and output.

## Finance

We have a financial team that is responsible for all our accounts, invoicing, payments and collections.

## Operations

Our operations team is responsible for procurement, sourcing products, order processing, and deliveries including after sales follow-up.

## Sales

Our sales team that is responsible for generating leads and securing sales.
